ATTENTION...ATTENTION...ATTENTION...

The Murray Early Childhood Education Center is a

NUT FREE FACILITY!!

Please **DO NOT** bring food from home to our school.

We provide safe snacks each day.

We have several children at our center who have life threatening allergies to nut products. This includes peanuts, tree nuts and oils derived from them. Any contact or ingestion of these products can cause a fatal reaction. As you might imagine this is a very concerning issue for us. We would like to remind you that the ECEC is a "NUT FREE FACILITY." We respectfully ask you to leave all food from home AT HOME! This includes siblings snacking while you drop off or pick up your preschooler. I realize that this policy might seem harsh, but think of this...If your child's life was threatened by the unseen transfer of nut oil from a sibling to the front door to your child's hand to his mouth, thus causing a severe or fatal reaction, wouldn't you be relieved to know that other families in the center are helping to keep your child safe?

Please pass this information on to anyone picking up your child. Thank You!
